Smoking kills 1 in every 2 smokers, and because your health is important to us

from Wednesday 9th March 2016
we are going completely smokefree including sites and grounds

If you would like to quit smoking or need support to manage your nicotine levels please speak to your care provider.

Alternatively contact NHS Smokefree on 0300 123 1044 or visit www.nhs.uk/smokefree
Nicotine replacement products are available to help you manage cravings.
